(a) whether it is a fact that the Central Government made a commitment to the setting up of separate High Court in each State of the North Eastern region of India;

(b) if so, what are the names of the States in which separate High Courts have so far been set up; and

(c) what were the difficulties in setting up separate High Court in Tripura?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THE MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. 2067. SHRI NARAYAN KAR: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that commercial banks and gramin banks have totally abandoned the programme of holding loan melas in Tripura;

(b) if so, what are the reasons therefor; and

(c) what steps are being proposed by the Central Government to provide loans to the poor people belonging to the Scheduled Castes/Scheduled Tribes and other backward classes?

THE MINISTER OF FINANCE (PROF. MANDHU DANDAVATE): (a) and (b) There is no programme or scheme formulated either by the

Central Government or by the Reserve Bank of India for disbursement of credit by banks through loan melas in Tripura or in any other part of the country. For the scheme of Integrated Rural Development Programme (IRDP) the application forms of beneficiaries are to be prepared in a camp attended by the beneficiaries, the block functionaries, the other concerned departments including the revenue department and the bankers. The camp system is advisable to save time and energy of the beneficiaries in the completion of the applications and procurement of requisite documents. The public sector banks have also been organising the credit camps in order to provide credit assistance to worker sections.

(c) The present credit policy already provides a thrust for increased flow of credit to the priority sector and, in particular, to the weaker sections of the society including SC/ST beneficiaries. Banks are required to provide at least 10 percent to their total credit to weaker sections.
